Subject: Inordinate delay in disbursement of the salary - regarding.

Respected Sir,

It is painful to inform you that most of Circles have not yet disbursed the salary for the month of February, 2019. In this regard, we would like to submit that salary for an employee is basic human rights and delay causes a lot of hardship to the individual as well as his whole family. It may also be stated here that even Hon'ble High Court Delhi in its judgment in WP(C) 5075 of 2007 has said that non-payment of salary to servants amounts to denial of basic human rights of a citizen and would also amounts to deprivation of his life and liberty guaranteed to every citizen under Article 21 of the Constitution of India,

2. All the employees of BSNL are workers and placed equally, irrespective of their posting and place of duty. Creating discrimination among employees by making payments of salary to employees of some circles in time, and to some circles in delayed, and to other even not till date is least expected.
